The Oresteia of Aeschylus begins with Agamemnon, the king of Argos, arriving at the altar of Aphaia to perform libations as a sacrifice to the goddess. However, instead of bringing offerings, he is killed by his wife Clytemnestra and her lover Aegisthus in revenge for killing their son Orestes, who went to Phocis in search of Orestes' friend Pylades. Orestes eventually returns to Argos and seeks revenge against his mother and Aegisthus.

The Libation Bearers, the second play of the Oresteia trilogy, begins at the burial mound of Agamemnon with his daughters Electra and Cassandra. Orestes returns to Argos and seeks revenge against his mother and Aegisthus for the murder of his father. The play ends with Orestes' trial before the Furies, who demand a libation sacrifice to the dead.

May 26th, 2020 - The following: the libation bearers and the eumenides are stronger with more limited choruses and since the crux of the latter especially is debates with dialogue there is no sense that important actions are occurring offscreen which was a major trope in Greek drama.

May 27th, 2020 - In the Libation Bearers, the second play of Aeschylus' Oresteia trilogy many years after the murder of Agamemnon his son Orestes returns in secret from exile with his companion Pylades to exact vengeance on Clytemnestra as an order from Apollo for killing her lover Aegisthus, the leader of the Greeks during the Trojan War who died in the play's prequel Agamemnon. Orestes, the son of Agamemnon, confronts his mother in a court trial before the Furies, who demand a libation sacrifice to the dead.

THE ORESTEIA AESCHYLUS TIME AND PLACE OF PERFORMANCE

The Oresteia is the only complete ancient greek trilogy which has survived to this day. The three plays which comprise it are Agamemnon, Libation Bearers, and Eumenides. They were all performed on the same day during the Dionysia festival in Athens, the ancient Greek festival celebrating the god Dionysus. Each of the three plays in the Oresteia trilogy dealt with the story of the house of Atreus and the consequences of Agamemnon's murder.

The Oresteia begins with the murder of Agamemnon by his wife Clytaemnestra and her lover Aegisthus. It follows the pursuit and trial of Orestes, Agamemnon's son, who returns home from exile to avenge his father's murder. The Oresteia concludes with the pacification of the Furies by Athena, the goddess of wisdom, and the blessings she bestows upon the people of Athens.

The Oresteia is considered one of the greatest tragedies in ancient Greek literature. It explores themes of revenge, justice, and the consequences of actions. The character of Orestes is a complex figure who struggles with the moral implications of his actions.

The Oresteia is a significant work in the development of Greek theatre and drama. It established the tradition of performing multiple plays as a trilogy during the Dionysia festival, and it influenced many later plays and playwrights.
